

# INTRODUCTION OF INVESTOR RISK REDUCTION ACCESS (IRRA) PLATFORM IN CASE OF DISRUPTION OF TRADING SERVICES PROVIDED BY THE TRADING MEMBER (TM)

In reference to SEBI Circular ref. no. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2022/177 dated December 30, 2022, which cites circumstances where a Trading Member faces challenges conducting regular business due to reasons like technical glitches or outages. These issues might render the Trading Member's Primary (PR) site inaccessible to its investors.

To ensure seamless business continuity, investors can exit or square off their outstanding positions using a common platform under the guidelines of Investor Risk Reduction Access (IRRA), jointly provided by all Exchanges. TMs who are not required to maintain DR site as per the eligibility criteria prescribed by SEBI, can request to avail the IRRA platform whenever their PR site is not available to conduct regular business due to the aforementioned conditions.

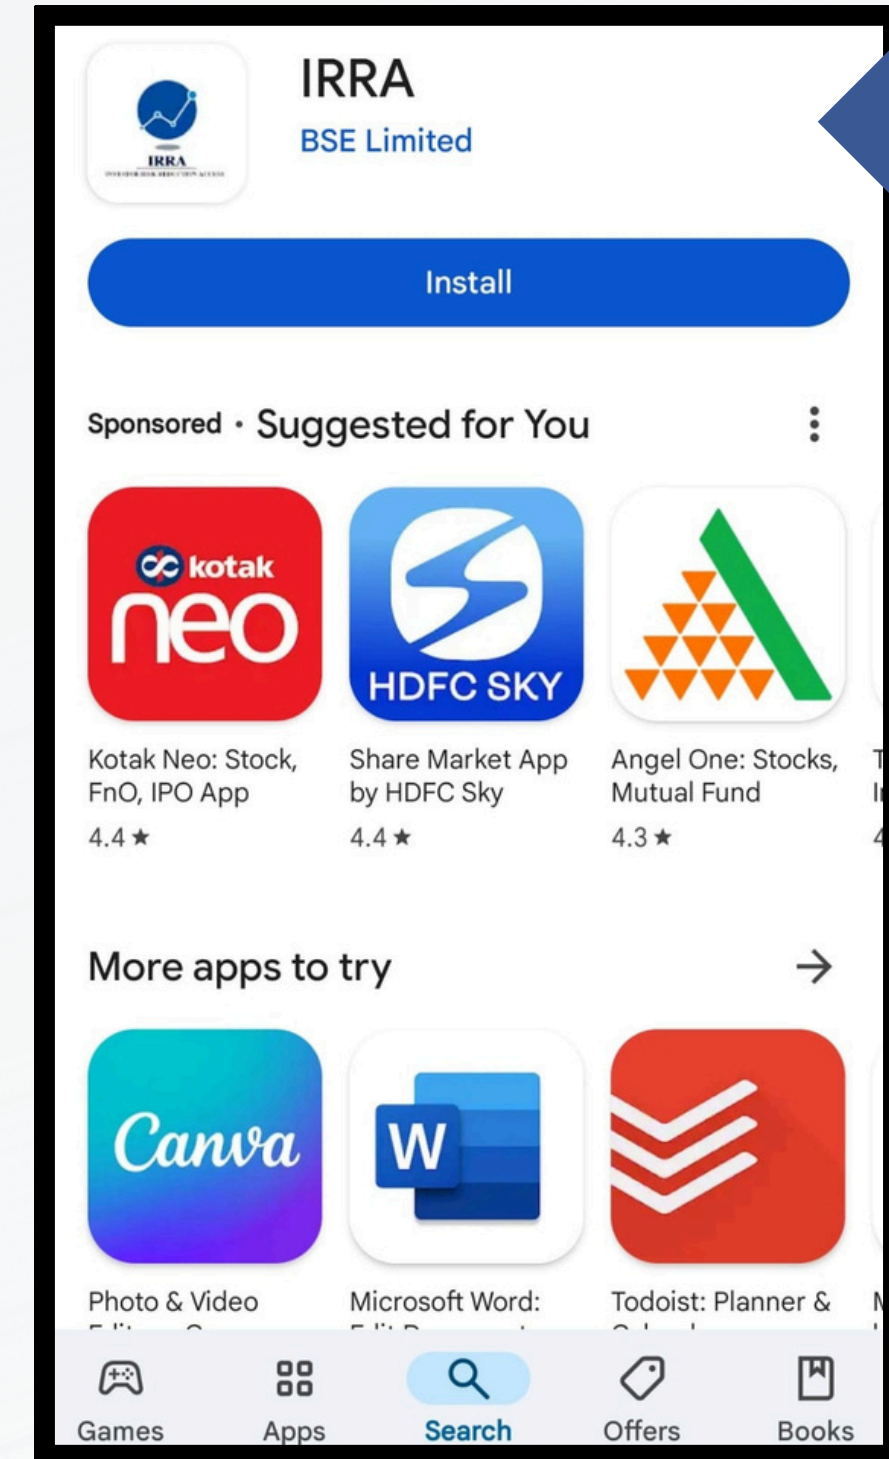

## Welcome to Investor Risk Reduction Access (IRRA) platform.

Kindly note :-

1. The IRRA platform is currently not enabled for any Trading Member.
2. If you are a Trading Member impacted with any technical glitch and wish to submit a request for enablement of the IRRA platform, please write to us on [irra@bsetech.in](mailto:irra@bsetech.in) for further processing.
3. If you are an investor who is interested in IRRA, please get in touch with your trading member.
4. For general queries and feedback related to IRRA Platform, please write to us on [support@irra.live](mailto:support@irra.live) or you may contact us on number 022-2272 8080.
5. A Trading Member is not required to register for the IRRA platform. Trading Member only needs to submit a request for enablement of the IRRA platform.
